The Sugar Works.

We had hoped to be able, in this issue, o announce that the proposed sorghum sugar works were a certainty; but such a statement would not be absolutely true. However, we will say that the prospects are brighter now than they have been at any time since the works were first talked of. The city council Miss McNeal Miss Taber...

is prepared to accept the last proposition of Col. Fidred with stirct modifi tion of Col. Eldred, with slight modifi-Any one wanting cattle ranged can cations, to which he has consented. He Miss Minnie McClearey visited friends | learn of a reliable herder by applying at | has ascertained what machinery he must have, and the price has been agreed on. The only difference between him and the manufacturers now is the small matter of putting the machinery in position, and it is expected that this difference will be settled in a few days. The land for the plant has been purchased; the location of the switch has Albert Caruthers, Robert Caruthers, been decided on; the condemnation proceedings will be commenced at once, and the probability is that in our next issue we can announce positively that Medicine Lodge is to have a sorghum sugar plant with a capacity of 200 tons

of cane per day. The city advertised for bids for the bonds, bids to be received until eight o'clock this, Wednesday, evening. It is understood that the bids will be opened, but that no bid will be accepted until it is known definitely that the proceeds of the bonds will be needed. This delay will be but a short one. The council, to a man, is opposed to issuing the bonds unless it is positively known that the city is to have the sugar plant and will the council agree to expend so large a sum of money for waterworks

Township Assessors. The township assessors are now making their rounds, and it may be well to explain to the people that the statistical information that the assessor must obtain has no connection whatever with the assessment of property for taxation. The assessment list that every tax-pay- citizens gathered in on the last day and er must fill up, no matter how little had a dinner, in honor of the teacher, At this writing, the fruit trees in this the tax levy. The St. Louis Republic

THE GREAT WESTERN WEEKLY.

Ten to Twelve Pages Every Week.

A magnificent copy of Munkacsy's marvellous paintings. "Christ Before Pilate" or "Christ on Calvary" will be given with every subscription. THE REPUBLIC a year and a copy of either picture free for \$1, or both pictures and the paper a year for \$1.25. No paper is so valuable for the country merchant and farmer as its enormous circulation, just turning the point of One Hundred Thousand, attests. It will run close to Two Hundred Thousand before 1890. Now is the time to join the boom.

Remember, you get a free picture and not less than 520 Pages of Reading for \$1.00.

The Picture Alone Retails for \$1.00. Daily, \$10 per annum. Tri-Weekly, \$4 per annum. Sample copies, with full description of picture and premium sheet, sent tree
